Parental Vote Registration

Under the ice Sheffield Skating Academy Constitution, Junior Members (under the age of 18 years) are not eligible to vote at an AGM or SGM. However, they permitted a Parental Vote.

The Parental vote is restricted to one per family, i.e. if there are one or more Junior members in a family then one (1) vote is allocated to that family. The eligible voter **MUST** be the parent/guardian who is the signatory on the Junior Membership Form(s). This confirms that the signatory agrees to abide by the Club’s Rules, Policies and Constitution, in particular paragraphs 34 and 35.

For the parent to exercise the right to vote, the parent **MUST**:

- a) Register their wish to use the allocated vote at the commencement of each Club year (no later than May 31st)
- b) Be present at the AGM or SGM
- c) Be prepared to volunteer at Club and NISA events (a current valid CRB check is required); this will be a minimum of two events per Club year

Parental Voters are eligible to be co-opted on to the Club’s Committee (Senior non-Active Membership is then required)

If the signatory on the Junior Membership Form is a Senior Active Member, it is deemed that the family already has a representative vote and therefore only the Senior Active Member vote is valid.

N.B. Under NISA Rules there is currently no Parental Vote for a NISA Associate Member. Therefore if a parent also wishes to have eligibility to vote at a NISA AGM or SGM, they themselves must have Full Membership of the National Ice Skating Association of UK Ltd.

A full copy of the Club’s Constitution is available to all members on request.

If you wish to take advantage of your Parental Vote, please complete and detach the section below and return it with the Junior Membership Form.
